By signing and returning this form, I acknowledge that I am currently licensed with the appropriate state and federal authorities to receive this product and would like AbbVie Inc. to provide me with complimentary samples of the above items.

For Ohio Prescribers: To lawfully possess and distribute drug samples, Ohio law requires that prescribers or their practices hold a valid Terminal Distributor of Dangerous Drugs (TDDD) license or satisfy an exemption to the requirements. A TDDD license allows a business entity to purchase and possess prescription drugs, including samples, at a specific address for distribution to patients. More information regarding Ohio's TDDD requirements and applicable exemptions is available from the Ohio Board of Pharmacy, including a guidance document titled Terminal Distributor Licensing of Prescriber Practices (www.pharmacy.ohio.gov/PrescriberTDDD). By signing below, I certify that: (1) I reviewed and acknowledge the Ohio Board of Pharmacy information regarding requirements to maintain a TDDD license; and (2) I or my practice (as applicable) may lawfully obtain, possess, and distribute the product(s) requested, and possess a valid TDDD license or satisfy an exemption to the TDDD license requirements.

Practitioner/Physician signature

Date

I requested the Rx items indicated for the legitimate medical needs of my patients and may not charge my patients or third party provider, including Medicare or Medicaid, for these items. Sample shipments are made subject to product availability and regulated by state and federal law. Samples are not for sale. AbbVie reserves the right to decline requests for samples from practitioners whose medical practice and/or patient population is deemed inconsistent with the approved product indication(s). Samples manufactured by Catalent Pharma Solutions. Distributed by J Knipper and Company, Inc.
